Demand Planner/Inventory Analyst – Small Parts
Fish Division

The Demand Planner/Inventory Analyst for Small Parts is responsible for forecasting and purchasing as well as the inventory health of all service parts related to Shimano's fishing division. He or she will maintain the item master, report on and prepare recommendations for improvement concerning forecast accuracy, fill rate, and inventory health. The primary objective of this position is to improve and maintain high forecast accuracy and inventory health while keeping satisfactory service levels (fill rate). This position coordinates the receipt, filing, and communication of incoming invoices between factories, customs brokers, and internal distribution and provides support the department as needed.

Principal Responsibilities
• Set up new parts in item master, save schematics, and communicate to repair and web teams.
• Prepare initial demand forecasts for new born parts as well as monitor forecasts for existing items.
• Prepare and analyze monthly reports involving inventory, fill rate, and forecast variance.
• Serve as liaison between repair, service, warranty centers, suppliers and communicate availability, delays, etc.
• Prepare and submit monthly purchase plan and demand forecast for factories.
• Monitor inventory health, investigate and recommend strategies for improvement and work with overseas factories to expedite purchases or reduce purchases as needed.
• Prepare daily fill rate report and monthly summary.

• Main point of contact for incoming invoices and communication to warehouses, customs brokers, etc.
• Support planning department with item master set up, pricing set up, item master maintenance, and other projects as needed.

Qualifications
• 1-3 years of demand planning, purchasing, and inventory experience.
• Customs clearance, freight, and shipping (ocean and air) knowledge a plus.
• Must be detail-oriented and focused.
• Must be able to multi-task and handle several projects and duties simultaneously.
• Ability to interface with individuals at all levels.
• Strong written and oral communication skills.
• Demonstrated proficiency in Excel.
• Knowledge of Access, JD Edwards, and Demantra a plus.

Shimano American Corporation offers above average benefits including medical, dental, health and
wellness, ridshare, 401(K) and much more. If you meet the requirements of this position then we would like to hear from you.
