NOMINATION OF FELLOWS OF THE IIF

The Board of Directors invites the IIF members to send nominations for Fellows to the following e-mail address, before 19 May 2014.

Antonio Garcia-Ferrer
Universidad Autonoma de Madrid
Antonio.Garcia@uam.es

The first Fellows of IIF were elected in 1996. The Board of Directors again wishes to honor distinguished forecasters at the International Symposium on Forecasting (ISF) in June 2014.

The guidelines approved by the board for the election of Fellows and a list of current Fellows are given below.

Nominations should include a brief statement by the proposer indicating the qualifications of the candidate in the areas listed under Guideline #5.

The Board of Directors will then vote if fellowship can be awarded to any of the proposed candidates.

GUIDELINES

1. A maximum of six Fellows may be selected in the first year and a maximum of three per year thereafter. Normally, only one or two members will be so honored.

2. Candidates for Fellow should be nominated by at least three members of the Institute. The nomination should include a letter of nomination that describes the candidate’s contributions in each of the areas listed in item 5 below. The nominations process would start afresh each year; that is, unsuccessful candidates would need to be re-nominated.

3. Nominees should be current members of the Institute.

4. Current members of the Board of Directors are not eligible for election as Fellows, nor are immediate past directors for a period of two years.

5. A candidate should have performed with distinction in two or more of the following areas:
   • Forecasting practice;
   • Research and scholarship in forecasting;
   • Teaching and/or administration in forecasting;
   • Service to the Institute or the Journals.
Fellows of the International Institute of Forecasters (as of July 2013)

P. Geoffrey Allen (2012)
J. Scott Armstrong (1996)
Roy Batchelor (2008)
Christopher Chatfield (2004)
