

FORESIGHT

The International Journal of Applied Forecasting

Policy for Article Reprints by Authors¹

- *Foresight* will provide authors with a pdf of their published article which includes this statement: "This article originally appeared in *Foresight*, Issue XX (forecasters.org/foresight) and is made available with permission of *Foresight* and the International Institute of Forecasters."
- Authors may share this pdf with family, friends, and colleagues within their own organization. Authors from academic institutions may also share the pdf with students in courses they are teaching.
- Authors also have unlimited use of the pdf for commercial purposes, for example:
 - Share with clients.
 - Post on their personal or their organization's website.
 - Use in marketing materials (such as for whitepapers, e-books, etc.).
 - Republish in a book or other collection.

For any such use we ask that this statement be included: "This article originally appeared in *Foresight*, Issue XX (forecasters.org/foresight) and is made available with permission of *Foresight* and the International Institute of Forecasters."

- Authors should NOT upload the pdf to public repositories like ResearchGate, or to social media sites such as LinkedIn.

Contact the IIF Business Director (email: forecasters@forecasters.org) with any questions.

¹Reprint includes both hardcopy printing and distribution of pdf/e-copies
